

Campden BRI Hungary Day
Budapest, 12.12.2017.

On the 12th of December, 2017 a successful open day was organized in Budapest at Rubin Wellness & Conference Hotel, where the SweetVeg project was introduced.

This event is organized annually and attracts participants from the Hungarian agricultural, food industry, retailers and policy-makers. Approximately 60 people participated on the event, where they got a general introduction about the objectives of the SweetVeg project during the presentation and the poster session. The expected results and the benefits for potential users were also explained. The event was a great opportunity to create personal links and joint consultation with the Hungarian stakeholders.
