

SweetVeg project

2018 Campden BRI Day

As every year, Campden BRI Day took place on the 8th of June, 2018 in Chipping Campden, UK.

This annual open day of Campden BRI for clients, members and key personnel from within the food, drink and associated industries and government.

The 40th Annual Campden Lecture was “A whole new world: food and drink after Brexit” presented by Ian Wright, Chief Executive, of the Food & Drink Federation UK.

The overall theme for the day will be around: Helping your business succeed organised into 3 exhibit zones (Innovation, Assurance and compliance,)Productivity and cost management

As usual, there were tours organised to visit of the pilot process plant (including drink technology, emerging processing technologies, thermal processing, Bakery pilot plant) throughout the day.

Campden BRI Hungary had its own stand to promote the projects of the company, including SweetVeg too.

SweetVeg
LET'S GET TO MEASURING!

Plannable quality What would every grower, supplying to the processing industry want?

Measurable cost High quality fruits ripening on time and plannable costs.

Decision support in farming and processing industry

Sweet Corn and Sorghum - one benefit worth to partner

Sweet Corn

Sorghum
